- ✓ Complete audit trail

Why *Notifi X*?

Digitize, automate and track the complete notice lifecycle to improve compliance, and recovery outcomes.

END-TO-END AUTOMATION

01

Automate notice generation, approval, dispatch and status updates.

COST OPTIMIZATION

02

Reduce end-to-end notice processing expenses while improving delivery efficiency and compliance.

CUSTOMER RESPONSE CAPTURE

03

Capture payment commitments, disputes and customer responses in a centralized platform.

HIGHER RECOVERY RATE

04

Enable faster borrower engagement through timely notice delivery and follow-ups.

FASTER TURNAROUND TIME

05

Generate and dispatch notices in bulk within minutes instead of days.

REGULATORY COMPLIANCE

06

Maintain standardized notice formats, audit trails and complete dispatch records

Compliance & Security

Data Protection and Regulatory Compliance
